

Automatic Payment Program

Save time, money, and take the worry out of making sure the post office gets your electric payment to us by the due date.

The automatic payment program deducts your monthly electric bill directly from your checking account on the due date each month. This free member program saves money on postage, checks, and deducts the money from your account on the last possible day to avoid any late payment penalties from Big Bend Electric Cooperative.

The first of each month you will receive your statement showing the due date and amount to be deducted. An important point to remember is to have the funds available on the withdrawal date. If the funds are not available, the transfer will be treated as a returned check and incur fees from both the bank and Big Bend Electric Cooperative. Two returns for non-sufficient funds constitute grounds for termination from the program.

Sign up today by submitting the application below. **Please continue to make your payments as usual until you receive a confirmation letter from Big Bend Electric stating your first payment date.** You may cancel participation at any time by calling the billing department **at least five working days prior to the due date** of your electric bill at 866-844-2363 or 509-659-1700.

****Remember: If your account currently has a balance due at the time of submitting this form, it should be paid in your usual manner. It will NOT be automatically bank drafted.****
